

School Health Advisory Committee  
Meeting Minutes  
September 28, 2017

The Valley Mills School Health Advisory Committee met Thursday, September 28, 2017.

Attending the meeting were Ashley Moody, Janey Weber, Kate Whitney, Donna Veteto and Holly Crawford.

The upcoming health fair and a co chair for the committee were discussed. Holly Crawford said she had talked to a person at HEB and to give flu shots to children 7 and under, they would need a prescription from a doctor. She said she would send an email with the information. The SHAC set the hours for the health fair after confirmation from HEB pharmacist. It will be from 2 pm - 6 pm. There was discussion about vendors giving away door prizes. We talked about the Drivers over 55 program and the Kid Safe program. Ashley Moody said that Teen Safe and all related programs were under the same person. We are still waiting on a call back from the vendor with the car seats.

Donna Veteto said she had contacted Kathy Burt of Helmets of Love, she could not commit due to not having anyone to help her. Veteto also contacted Claudette Madison to have a booth on diabetes and she said she would.

Holly Crawford said she would contact Tammy Johnson of the Valley Mills Nursing and Rehabilitation.

Kate Whitney said she would bring her desktop demo of the amount of sugar found in different types of drinks.

The SHAC members agreed to meet the day before to set up the gym at First Baptist Church. Ashley Moody said she would ask the students to help set up after finishing their Wednesday night activities.
